

Greetings Sisters,

The following information is a request from Mary Carter, Food & Beverage Director Snowball Express. I have also included order form for you convenience. I know this is coming late in the year however it's still time to make sure that our children of our Fallen Military Hero's have a great Christmas. Send me your reports and I make sure that Auxiliaries get credit, if not this year, next year. District 17 is already on board.

Loyally,
La Verne Wilson,
Department Youth Activities Chairman

This is a heartfelt request; asking to please resend this email to all your Auxiliary Members for Snowball Express,

It appears the emails that have been sent out to posts, auxiliaries and members have not transmitted all the information the ladies need; We have received a lot of calls from ladies who want to help with a donation for a lapel pin but have not received the order form to mail in (now attached) or the link (listed below) to donate on line;

All the information about this program and the raffle are now listed on the link below and I have attached the order form for ladies to print and mail in if need be;

I ask if you could please resend this email to the members of your state;

Please help raise funds for Christmas Gift this year for the Children of our Fallen Military -

Order your lapel pin here, tap on this link
